

FOR SEPTEMBER 2017 ENTRY TO YEAR 7

This guidance sheet is provided to help parents who are deciding to apply for a selective school. The information is based on entry patterns in the last four years and the situation this year may be different. Please refer first to the 11+ score obtained by your child, then look at the information for each school.

						Enquiry visits	
		Some schools have a minimum pass mark. <i>This column indicates 11+ test scores that will not be admitted.</i>	This column indicates the lowest score obtained by any entrant in the last four years. <i>Applications below these scores may still be worthwhile.</i>	<i>In the last four years every pupil with a score at this level was eventually offered a place.</i>	This column indicates 11+ test scores that will almost certainly ensure a place is awarded. <i>This score is calculated – based on the last four years – to be well-above what is required.</i>	Schools are allowing parents to visit to discuss the 11+ test results and to help final decision-making – this is not an open day.
