Dear Parent

Following our annual price review of the scholars' termly passes, we have revised the validity of these passes to a First Term Student Plus Weekend pass.

With effect from the commencement of the autumn term 2015 (i.e. from September), the tickets will show a zone of travel, rather than the present boarding and alighting points. Those students in possession of a First Term Student Plus Weekend pass will be entitled to use the pass seven days a week with no time restrictions, on all of our commercial services (with the exception of the X30) within the zone stated on the ticket. The passes will be valid IN SCHOOL TERM TIME ONLY, i.e. they cannot be used in school holidays.

We believe that this change will provide improved flexibility of travel and better value for money. If you have any queries, please do not hesitate to contact me on 01245 293402.

Yours faithfully
